**Gender Sensitization Action Plan 2023-2024**

- Rajabala Das National annual award for an individual who has made significant contributions to gender equity and empowerment was instituted and the event started on 2024 with conferring the first Rajabala Das Annual Award on social activist Manisha Behl.
- Rajabala Das Memorial annual lecture series will be introduced from 2024 onwards with a focus area on gender sensitization.
- Women Studies Cell will take up a series of activities for sensitizing the students in the field of gender. The activities will include -----
  - A) Certificate course with gender as a major component.
  - B) Annual lecture on gender-specific issues to be delivered by an eminent personality on the day of certificate distribution ceremony.
- Taekwondo, as a self-defence course will be continued for the students of the college. Students' safety will be a priority area for planning and implementation.
- Visits to Old-age Homes of females will be organized from time to time.
- Village Adoption Cell will initiate programmes for women's empowerment in the adopted village.
- Interactive talks on gender issues will be continued.
