CALL FOR REGISTRATION AND PARTICIPATION DBT, GOVT. OF INDIA SPONSORED TWO DAYS WORKSHOP ON “DNA BARCODING”.

21st & 22nd FEBRUARY, 2025

ABOUT THE WORKSHOP

DNA barcoding is a method of specimen identification using short, standardized segments of DNA. Every species has its own barcode, just as every person has their own fingerprint.

OBJECTIVES

- Species identification.
- Taxonomic accessibility
- Biodiversity monitoring
- Invasive species detection
- Food safety

KEY POINTS

- The workshop is open to **undergraduate** and **post graduate students** as well as **Ph.D. research scholars** from any science discipline.
- Workshop will be held on 21th & 22nd February, 2025.
- Last date of submission of registration form is **17.02.2025**. Selected candidates shall be notified via e-mail.
- It is mandatory for participants to attend all the technical sessions.
- Hands-on sessions will be conducted at AGT Biosciences, Guwahati Biotech Park, Amingaon, Assam.
- Transportation facilities will be provided to the participants from Handique Girls' College to Bioakademy-AGT Biosciences, Guwahati Biotech Park, Amingaon, Guwahati, Assam.
- The participants will be provided certificates upon successful completion of the Workshop.
- Breakfast and lunch will be provided to the participants.
- Total seat capacity is 20 (candidates will be selected on first come first serve basis).

REGISTRATION IS FREE
