9) 

10)

The meeting started with Co-ordinator, ISAC elaborated the objectives of the meeting and Vice Principal took the chair as president.

- It was agreed upon by all members that
- after opening P.G. courses in Botany & Zoology initiative should be taken in the next year to introduce PG course in other subject (Chemistry may be in next year)
- Further college should take initiative for recognition of Research Laboratories specially in Botany & Zoology in the next year.
- More nos. of Laboratory equipments for Science laboratories may be procured under DBT Star College

The meeting further discussed about the improvement of the facilities of the hostel and necessary renovation & repairing to be taken by the college.

It was suggested that College extension activities should be increased to schools & villages keeping in mind the awareness programmes on Swascha Bharat Abhiyan.

The meeting urges upon holding of seminar workshops on Bi-informatics, use of e-resources, demonstration on electronic server etc.

The meeting also decided to analyse the grievances of students and feedback on teachers.

The Librarian Dr. N. Das suggested that improvement of library facilities like CCTV to be increased along with new acquisition.

Construction of one Digital Classroom, and Improvement of Infrastructure in the College & Hostel from the fund received from Govt. of Assam was discussed for implementation.
