29. Behabrat Saikia 

IGAC meeting held with Faculty members for a detail action Plan for NAAC accreditation including SSR preparation on 19/11/18.

The meeting started with Principal taking over Chair as chairperson

IGAC Co-ordinator elaborate before the meeting regarding SSR preparation and also further action plan to be taken

Principal Sir, at the beginning emphasized on introduction of E-learning for the students through Computer based learning methodology. Faculty members have been requested to initiate the process through "Swayam" and other open source learning soft-ware. All faculty members agreed to take the method.

The meeting suggested about computerized evaluation of Examination can be initiated by the College initially for part of unit test can be think of.

All members are of the opinion that all departments should be brought Under LAN or Campus be made Wi-Fi which will help for intramail and data sharing process, Principal enquired about which one will be better option. He agreed to have an expert opinion and technical opinion.

Co-ordinator, IGAC, suggested all departments to enter all students data including examination result in the departmental Computer from the next session.
