20. Santasri Malik Bhuyan. Mr.

21. Sanjay Mr. Das. 

22. Tapan Thakuria 

23. Bhuvan Ch. Talukder 

The meeting was started by chairperson, Principal, Dr. Upal Dutta taking over seat. Principal started the meeting with regard to discussion over admission and enrolment record. All data set representation for five years to be given. As the number of left out students after admission is large, there is huge gap between the no. of admitted students and actual no. of students in roll. Hence the no. of enrolment be considered after one month of admission. Further Ph.D. Students should be considered as our students. For finding out enrolment the examination record and college registration record be used for enrolment data.

Manish Gogoi mentioned that, we have computerised

record of students admission and also the record of surrendered students, hence actual enrolment of current student is available.

M.C. Talukdar, IQAC, Co-ordinator mentioned that we have collected the categorywise data for 1st, 3rd and 5th semester students, but for 1st semester students actual enrolment may be decided from authentic source. Marash Jogle mentioned that he will be able to do it with a list of students name from exam roll sheet.

Mr. Jayanta Manta mentioned that as the large no. of students left out after admission, hence the no. of allotment of students declared may be enhanced by more than actual capacity. But the meeting said that this enhanced number have to be accepted as this no. will be published in newspaper and prospectus.

The meeting discussed about the course outcome (CO's). Principal said that a mechanism will be required to determine for course outcome and course attainments. For this HOD's should be given notice to measure the CO's and course attainment through participation of students in activities like dramas etc. Grades should be given to students on the basis of involvement, execution etc.

Bandana N. Das requested to IQAC that names of research scholars should be maintained in a list.

Discussion regarding Criteria IV, Mr. J. Manta mentioned the list of apparatus, infrastructure etc. being made including library, ICT enabled classroom and maintenance provision etc, on the basis of Internal audit report. He suggested that Volley ball court and basket ball court should be revamped with immediate measures.

Dr. Mitali Goswami suggested that the Grievance box need to be in place with constant monitoring and at least 3 grievance boxes to be made available to students with one for the Hostel.

Jayam Thakuria, wanted to know about the desktop and laptops in ICT enabled Class room, The convenor academic committee mentioned that it is not secure to keep them in classroom.

Regarding students grievance and feedback, students have to be shaken out of their apathy to give proper feedback on teacher and college.

Discussion regarding Criteria V, Bandana N. Das mentioned that the Criteria V has already been completed ~~so~~ nothing has to be said.

Regarding no. of teachers in sanctioned no. of should be shown as 90 along with non-sanction or Contracted Posts. Dr. Mitali Goswami mentioned that Contracted faculty are given equal no. of classes to be taken.

Regarding Welfare measures of employees in Criteria VI - what other measures can be taken, Principal requested Bedabrat Saikia to approach ESIC, regarding any welfare scheme for College teachers.

It was also discussed about whether a common break in Class routine be given or not.

Discussion regarding Criteria VII, No. of CFL or LED - it is difficult to decide as per Co-ordinator/BAC convenor Academic Committee mentioned that it will reflect in the stock entry.

Regarding point 7.3.1, Santoshree M. Bhyam mentioned that it is prepared by  and with Dr. Biswajit Choudhury.

The meeting ended with thanks to all.
