Resolutions taken in the meeting are as follows:

- 1) Each department will submit proposal for opening add-on course / certificate course from the session 2023 - August / December onwards
2. Courses will be self-financed to meet up academic, and administrative and infrastructural expenses.
3. The finalized list of add-on / certificate

courses will be incorporated in the prospectus & to be prepared for the forthcoming academic session.

4. Each student will require to take at least one certificate course / add-on course in one single academic session.

5. Details of the course content, expense and resources will be prepared by the respective departments. A Review Committee will take the final decision with respect to the number of courses.
