

National Conference on Materials Science & Condensed Matter (NCMSCM 24)

Jointly sponsored by
DBT, CSIR & SERB, Govt. of India
19-21 September, 2024

Handique Girls' College, Guwahati 781001

Themes

- ▶ Green nanotechnology
- ▶ Nano-composites, biomaterials & tissue engineering
- ▶ Synthesis and characterisation of nano biomaterials
- ▶ Micro- and nano-fluidic devices
- ▶ Polymer nano-materials
- ▶ Quantum dots
- ▶ Monte-Carlo simulations
- ▶ Biological membranes and interfaces
- ▶ Soft matter biophysics
- ▶ Biological applications of topological insulators

Call for Contribution

Participants are encouraged to enrich the conference by submitting their research abstracts and full-length papers. These submissions should present original and unpublished findings derived from conceptual, constructive, empirical, experimental, or theoretical research within the conference's thematic areas.

Conference Proceedings

All full-length papers submitted for inclusion in the conference proceedings will undergo a rigorous double-blind peer-review process. Accepted papers will be published in the Conference Proceedings with an ISBN number. A minimal publication fee will be required once the paper is processed, and the details of this fee will be notified on the conference website.

National Advisory Committee

- ▶ Prof. Krisnendu Sengupta, School of Physical Sciences, IACS Kolkata
- ▶ Prof. Arun Chattopadhyay, Dept. of Chemistry & Centre for Nanotechnology, IIT Guwahati
- ▶ Prof. Dipankar Bandyopadhyay, Dept. of Chemical Engineering, IIT Guwahati
- ▶ Prof. Vibin Ramakrishnan, Department of Biosciences & Bioengineering, IIT Guwahati
- ▶ Prof. Biman B Mandal, Department of Biosciences & Bioengineering, IIT Guwahati
- ▶ Prof. Pamu Dobbidi, Department of Physics, IIT Guwahati
- ▶ Dr. K. D. M. Rao, School of Applied & Interdisciplinary Sciences, IACS Kolkata
- ▶ Dr. Partho Sarathi Gooch Pattader, Dept. of Chemical Engineering, IIT Guwahati
- ▶ Dr. Bimal Sarma, Department of Physics, Gauhati University

Local Organising Committee

- ▶ Dr. Ranjit Sarma, Principal, HGC, Guwahati
- ▶ Dr. Pori Hiloidari, IQAC, HGC, Guwahati
- ▶ Dr. Pranab Bujarbaruah, HGC, Guwahati
- ▶ Dr. Prabhali Doley, HGC, Guwahati
- ▶ Dr. Innifa Hasan, HGC, Guwahati
- ▶ Dr. Uday Sankar Senapati, HGC, Guwahati
- ▶ Dr. Akhtar Hussain, HGC, Guwahati
- ▶ Dr. Sadiqul Ahmed, HGC, Guwahati
- ▶ Dr. Jyotshna Saikia, HGC, Guwahati

Aims & Objectives

We are delighted to extend our warmest invitation to you for the upcoming National Conference on Materials Science and Condensed Matter (NCMSCM 24), scheduled from September 19-21, 2024. The conference will be held in the vibrant city of Guwahati, Assam, a cultural hub nestled in the heart of the region. This exciting scientific endeavor will provide you the opportunity to engage with esteemed professionals, researchers, and scholars from diverse backgrounds.

About the events

The conference program will feature a dynamic array of sessions:

Keynote Address: A high-profile session delivered by a distinguished expert in the field, offering comprehensive insights into current trends, breakthroughs, and future directions.

Plenary Talks: These sessions will showcase eminent scholars and researchers presenting their groundbreaking work, providing a deep dive into critical themes and fostering a broad understanding of the subject matter.

Oral and Poster Sessions: Participants will have the opportunity to present their research through oral presentations and poster displays, allowing for detailed discussions, feedback, and networking among peers.

3-minute Research Overview Presentation: To effectively communicate essential research insights, foster engagement, and stimulate further exploration and collaboration, this conference will feature this event with an aim to spark curiosity and motivate attendees to delve deeper into the thematic areas of the conference.

Registration

Participants can register for the event through the Google form at <https://www.hgcollege.edu.in/national-conference.php> or by scanning the QR code. Detailed event information, including a template for abstract submission for oral presentations, is available on the website. Prospective presenters of research papers should submit their abstracts using the provided template. Poster presenters do not need to submit an abstract but must indicate their intent in the Google form. The poster template is also accessible at the same website. The acceptance list of articles will be announced on the conference website and the authors will be intimated via emails.

Registration Fee

Until August 31, 2024

For students & postdocs	INR 1500
For faculties & professionals	INR 2000

After August 31, 2024

For students & postdocs	INR 2500
For faculties & professionals	INR 3000

Sponsors:

Industries, instrument manufactures, institutions and other agencies are invited to generously sponsor the event.

Conference title sponsors	INR 25000
Platinum sponsors	INR 18000
Diamond Sponsors	INR 15000
Gold Sponsors	INR 12000
Silver sponsors	INR 10000

Important Dates

* Abstract Submission opens:	15-07-2024
* Abstract submission deadline:	15-08-2024
* Abstract acceptance notification:	25-08-2024
* Submission of full length manuscript:	30-09-2024

Awards & Recognitions

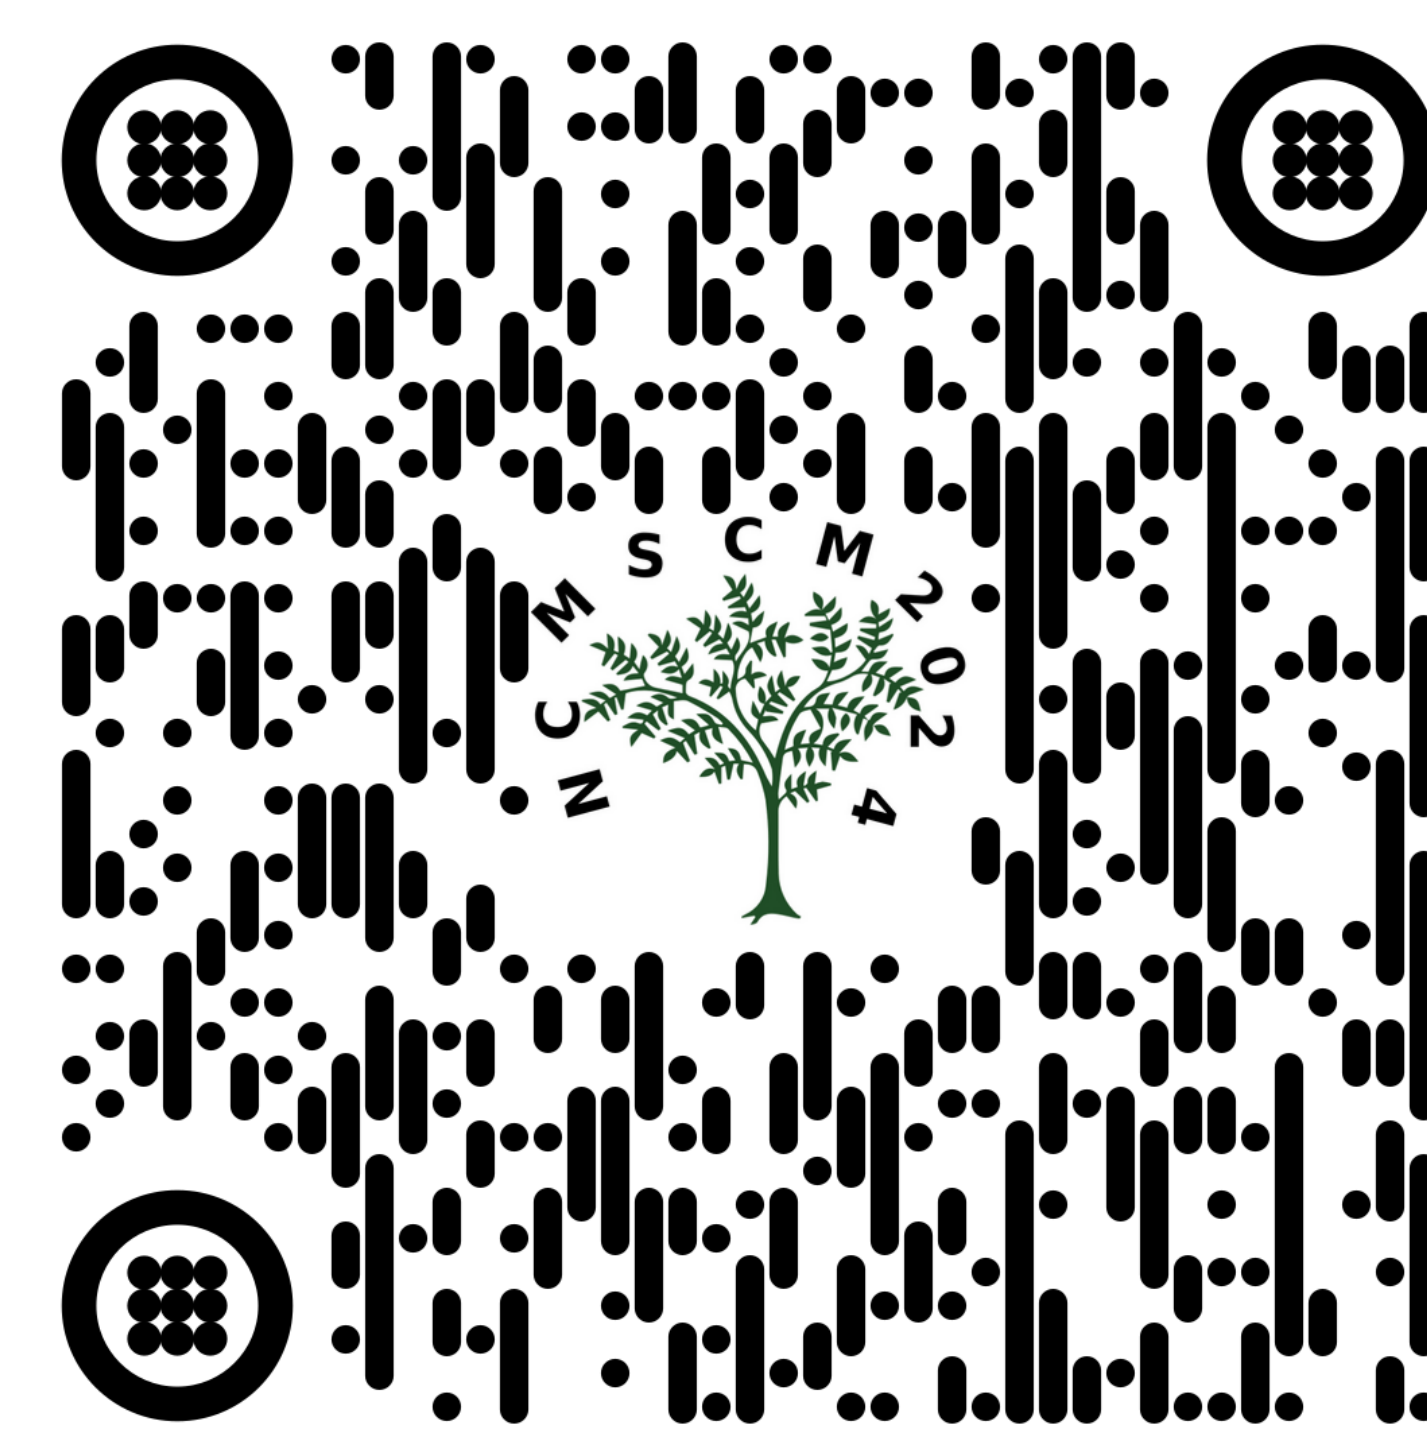

All participants will receive certificates acknowledging their contributions to the conference. To inspire young researchers, cash prizes of INR 5000 and certificates will be awarded in the following categories:

- * Best oral presentation
- * Best poster presentation
- * Best 3-minute research overview presentation

The best presenter awards will be based on clarity and quality of research, originality and innovation, significance and impact, presentation skills, and engagement with the audience and judges.
