Profile of the college

Handique Girls' College is situated in the heart of Guwahati on the western bank of the picturesque and historic Dighalipukhuri. It is one of the oldest Colleges in the north eastern region of India, for girls. The College was established by late Rajabala Das, who was also its first Principal. This visionary lady was convinced that in a country striving to achieve independence, nationhood would require women to occupy their rightful place in the society and that education for women was a priority. The courage of her convictions saw Guwahati Girls' College begin in the premises of Panbazar Girls' High School, in 1939, with just two students on its rolls. In her endeavour to further the cause of women's education, Rajabala Das had the support of the late Radha Kanta Handique, who made generous contributions towards setting up of the College in its present campus, in 1940. It was affiliated to Calcutta University in the same year. The College was later renamed as Handique Girls' College in acknowledgement of the support received from this great philanthropist. Today, Handique Girls' College has on its rolls more than 2500 students who represent a broad spectrum of ethnic and linguistic backgrounds. This diversity has been an important factor in giving the Institution its distinctive identity. The College has undergone three cycles of assessment by the National Assessment and Accreditation Council (NAAC), and is presently accredited with a B grade. Since its inception, Handique Girls' College has been privileged in having a series of eminent, dynamic and visionary Principals and members of Governing Body, dedicated to the cause of higher education for women. The following have been the Principals of the College: late Rajabala Das (1939-1965), late Sarat Chandra Goswami (1965-1974), Late Ameda Rasul (1974-1984), late Ratna Kanta Baruah (1984-1992), Late Priti Barua (in-charge, 1992-1993), late Dr. Saraju Das (in-charge, 1993-1994), late Gagan Chandra Baruah (1994-2000), Late Senehi Begum (in-charge, 2000-2002), Dr. (Mrs.) Mridula Mazumdar (in-charge, 2002-2004), Mrs. Geeta Barua (in-charge, 2004), Dr. (Mrs.) Indira Bardoloi (2004-2014), Dr. (Mrs.) Santana Kakati (in-charge, 2014), Mrs. Nirmali Medhi (in-charge, November, 2014 to January, 2015), Dr. Utpal Dutta (Feb 2015 to Dec 2022), Mr. Rajib Kr. Das (in-charge, Jan 2023 to May 2023). The present Principal of the College is Dr. Ranjit Sarma.

The College offers Higher Secondary and Bachelors courses in two streams: humanities and sciences, apart from some professional and self-financing courses. The College also offers Post Graduate (PG) courses in Assamese, Botany, Chemistry and Zoology.

As recognition to the rich contribution the college has made to the social upliftment, more particularly to the education of girls in north east India, the Government of Assam has declared the college to be upgraded to a women's university. This recognition to this historic college will definitely help in bringing more positive changes to the society.

1. UNDERGRADUATE DEGREE IN A STREAM: ARTS AND SCIENCE (THE NEP STRUCTURE)

The Bachelor Degree Course offered by the college is affiliated to Gauhati University, and is a four year programme spread over eight (8) semesters. Following the directives of Gauhati University, the college is implementing the Four Years Undergraduate Programme (FYUGP) from the academic year 2023-2024.

About Four-Year Undergraduate Programme (FYUGP)

The Four-Year Undergraduate Programme (FYUGP) of Gauhati University is as per UGC's Curricular Framework, published in November 2022. The course structure of FYUGP is built on the Choice-Based Credit System (CBCS).

- **Duration**

Under the NEP's FYUGP, it is a 4-year degree programme.

- **Exits & Entries**

In the FYUGP, one has choice to exit from the programme thrice—after one year, after two years, and after three years. If one exits the programme after one year, one gets a certificate, provided she completes one additional vocational course of 4 credits during summer vacation or winter vacation in addition to the regular courses. If

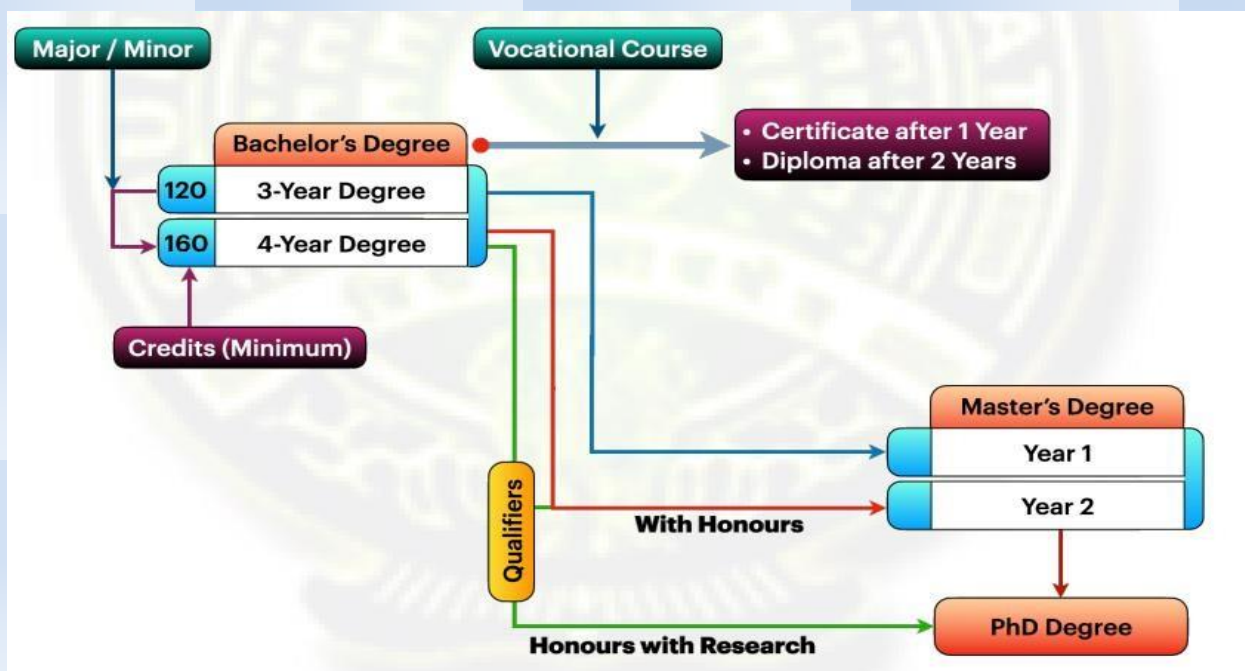

one exits after two years, one gets a diploma, provided she completes one additional vocational course of 4 credits during summer vacation or winter vacation in addition to the regular courses. The students can opt for vocational courses as notified by Gauhati University from recognized institutions. If one exits after three years, one gets a Bachelor's Degree. And finally if a student completes the whole 4-year, one gets a Bachelor's Degree (Honours).

• **Honours and Major**

In FYUGP, we get a Bachelor's Degree with Major after 3 years and a degree with Major & Honours after 4 year.

• **Progression**

If a student exits the FYUGP after 3 years, she will need to take admission into the first year of a Master's programme, which is a 2-year degree programme. However, if a student fully completes an FYUGP, she needs to take admission into the second year of a Master's programme and needs to complete only one year to get a Master's Degree.

Progression in FYUGP

• **Progression to Doctoral Studies**

Once a student takes admission into a Master's programme either after 3 years of the Bachelor's

programme or after FYUGP, one will be able to take admission into a Doctoral programme leading to the Degree of PhD. However, if a student is exceptionally good, one can directly take admission into a Doctoral programme right after the FYUGP, bypassing the Master's programme. The Qualifying criteria for progression to doctoral degree will be notified later by Gauhati University.

Course Structure:

Core courses

The Core Courses determine the ultimate degree, diploma, or certificate a student will earn at the end of third (or fourth) year, second year, or first year, respectively. The performance in the Core Courses will also determine the grade of the student in the final examinations. Total minimum credit requirement is 84 for the Core Courses, which translates to 21 courses (i.e. papers) with a credit allocation of 4 per course (paper). A student will need to study at least three Core subjects.

One among the three Core subjects (major and minor) opted, will be decided as major subject in first semester only. Any change in major subjects can be made in 3rd semester by a student from among stone's chosen core subjects, subject to availability of seats.

Core Course options: Degree in a Stream

In what follows, we diagrammatically show three different options which a student can choose to complete a 3-year programme under the FYUGP.

- In this option, the student chooses a Major course and two Minor courses. With this option, the student will have 12 free credits, which s/he can utilise if s/he wants to.
- In the second option, the student has utilised this 12 free credits to complete one more Minor.
- The third option is when the student do not want any Major but wants to study all three courses equally.

This option will be known as No Major (NOM) option.

- **Major and Minors**

In case of a Bachelor's Degree in a Stream, a student either chooses a Major and Minors or just Minors from among the subjects. In any case, a student needs to complete 21 courses or 84 credits by the third year. Usually, for majority of the students, the Core Course will consist of one Major and two Minors. But if a student desires, using the free credits (as described earlier), s/he can easily complete a third Minor as well.

- **Common courses**

The common courses are to be studied by all students alike and all-together they carry total credits of 36

over a 3-year period. These courses are further divided into five(5) sub categories, as described below.

• **Multi-disciplinary Courses**

These are 3-credit courses spanning over five different groups of subjects. The level of these courses is of Class XII. Each student need to take at any three papers, each with 3-credits from these five sub-groups during Semesters 1-3.

• **Ability Enhancement Courses(AEC)**

This is an 8-credit course covering Modern Indian Languages (MIL) and English Usage (Communication). Each student needs to complete two papers of 4-credits each – one from English Usage and other from the group of MIL, especially designed for this purpose. These courses have to be taken during Semesters 1-2.

• **Skill Enhancement Courses (SEC)** These are various skill courses with total credit allocation of 9. In our structure, we have four skill courses out of which a student needs to study the first skill course of 3 credits in the second Semester. The rest three skill papers, each having 2 credits need to be studied during Semesters 4-6.

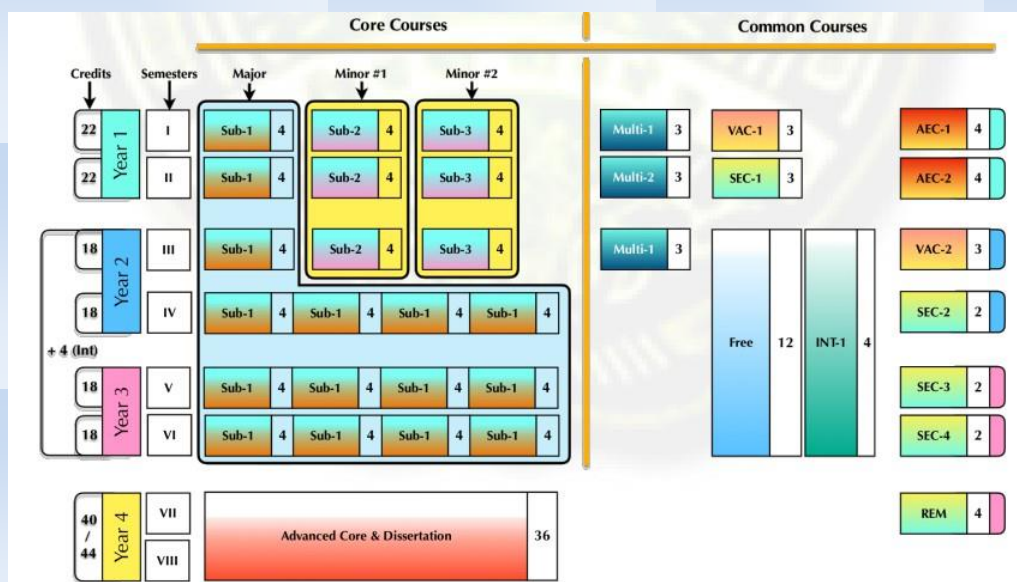

• **Value Added Courses (VAC)**

The VAC will have a credit allocation of 6. Each student will have to take any two papers, each of 3-credits,from any three groups during Semesters 1 & 3. Here one paper from the Environmental Science group is compulsory.

• **Internship**

All students are to carry out an Internship with a credit allocation of 4. The internship can be carried out in any semester during Semesters 3-6. As internships are meant to be done during semester breaks, they will not interfere with other classes.

The following Chart gives the detail of the Core and Common papers to be opted by the students from first to 8th semesters:

SUBJECT WISE PREREQUISITES AND REQUIREMENTS AS PER FYUGP UNDER GAUHATI UNIVERSITY:

Each subject and its course (paper) has their own pre-requisites which need to be fulfilled by a student prior to enrollment. As opposed to pre- requisites, the requirements are conditions which need to be fulfilled when a student chooses certain subject or course. The prerequisites are subjects that a student must have studied (and passed) in an earlier level of education (usually Class XI & XII) in order to be able to choose a subject. In contrast to the prerequisites, requirements are certain conditions attached to some core subjects. Following charts depict the detail of prerequisites and requirements as mandated by FYUGP guidelines:

SELF FINANCED CERTIFICATE COURSES

Along with the above five self financed certificate courses, from this academic session Handique Girls' College is gearing up to introduce few more self financed certificate courses recognized by Gauhati University. Keeping in view the requirement of enhancing aptitude of our students in the competitive job market, the college has designed some innovative and skill enhancing add-on courses. The successful completion of these optional short term courses will not only academically be beneficial but will also guarantee an added certificate to the students. The courses as offered by various departments are as follows:

Department of Assamese: Traditional Assamese Cuisine
Department of Botany: Urban Farming
Department of Computer Science: Computer Basics and Office Automation
Department of Home Science: Entrepreneurship Development
Department of Mathematics: A Foundation Course on Mathematics
Department of Philosophy: Philosophical Counseling
Department of Political Science: Political Leadership and Governance
Department of Physics: Technical writing, Data Analyses and Visualization
Department of Sanskrit: DTP in Devanagari Script
Department of Statistics: Data Analysis with Statistical Tools
Department of Zoology: Ecotourism

Admission in Extra-curricular (EC) Category

Selection of a candidate in EC category is based on the level (International, National and State) of certificate furnished by an applicant. The candidate seeking admission against the seats reserved for Extra-curricular category, must submit one certificate showing the highest level of proficiency acquired in the last 3 (three) years. In certain instances, the applicant may be required to demonstrate her proficiency in the chosen category to the members of the screening committee constituted for the purpose. For sports, the events recognized by the Indian Olympic Association and Sports Authority of India will be considered. The process of selection takes place before the regular admissions begin. Appearance of the candidates before the selection committee on the notified date is mandatory. The committee will finalize the list of the selected applicants.

Expectation from Guardians

Getting admitted into the College is a step towards the long journey of self-discovery. A teacher provides the students with the academic input within a stipulated time of the day. The students spend most of the time with their parents/guardians, who in general, take all pains to mould their wards' careers and characters. The College authorities strongly believe that a correlation between the efforts of the teachers and the guardian is greatly beneficial to a student. Therefore the guardians/parents are expected to co-operate with the College authorities by being constantly in touch with the College authorities with a view to improving their wards' performance attending the Parent-Teacher Meets and providing valuable suggestions. Constructive suggestions from the guardians/parents are most welcome at any time.

STUDENTS' ASSESSMENT

Continuous assessment of the student is done by each department through regular tests, seminars, projects and assignments. The marks secured by the students in these assessments are taken into consideration at the time of internal evaluation of the students. EXTENSION, PROFESSIONAL AND CO-CURRICULAR ACTIVITIES

Extension Activities

To inculcate a sense of responsibility towards the society from which we draw sustenance, Handique Girls' College has made it mandatory on the part of its Degree students (in both Arts and Science) to devote some time for community service before they earn the Degree from this College. The community service is introduced as Extension Work and is a part of the co-curricular activities in the College. In this regard the undergraduate students are oriented towards Community Service, which will include interaction with Resource Persons who will sensitize the students about their commitment to the society. Field visits with group activities directed at specific issues like environmental awareness, conservation of water resources, women and child nutrition, women's rights, etc. are conducted regularly. In order to facilitate these activities, Handique Girls' College has also adopted villages and engaged students in various activities. Recently the college has adopted a village in South Kamrup named Bor Amodpur.

Job Fairs and Placement Opportunities

The College has a Career Guidance, Training and Placement Cell, which has established a network with several recruitment agencies for offering placement opportunities to the final year and the passed out students through campus interviews. The College facilitates student participation in Job Fairs in which a sizeable number of national and multinational companies recruit our students. The Placement Cell regularly organizes various programmes for enhancing the employability skill of the students through workshop, personality development camp, IT skill development training, etc.

Campus Interview

The College takes initiatives to undertake campus recruitment for the 6th semester students. Our students are recruited by reputed organizations such as HSBC Bank, IBM Daksh, Wipro Technologies, TCS, ICICI Prudentials, Infosys, etc. The College also conducts training programmes for students on "how to face interviews" to increase the aspects of personality development and communicative skills so that they can confront any challenge in the corporate world.

Co-curricular Activities

Students of the College participate in a wide range of creative activities by enrolling themselves in different clubs and Societies in which they play pivotal roles. These clubs and societies keep the College humming with creative energy. They promote a healthy corporate life and afford opportunities for all-round developments of students. A student may become a member of the following clubs and societies of the College, towards which she will have to contribute a nominal amount.

***It is mandatory for a student to be a member of any one of the following clubs and societies. However, a student can be a member of more than one club if she wants to be.**

- i. AANGIK – The Cultural Club (Drama, Dance, Music and Fine Arts)

Socially useful and productive work is an integral part of the curriculum of the College. Regular lectures and seminars are organized by the Societies where students, teachers, experts (mainly guests) participate and interact. The Science Society organizes scientific film shows, talks, local excursions, scientific competitions, quizzes etc. Some of the departments have wall-magazines to which contributions are made mainly by the students. There is also provision for viewing the televised educational programmes of the UGC.

Alumni Association

The Alumni Association initiates and co-ordinates alumni activities in the College. The Association helps to strengthen the bonds within the ever growing Handique Girls' College family and provides feedback and support (including financial) to the College from the world outside. Our alumni have carved a niche for themselves throughout the country and abroad, and their achievements in numerous fields have lent distinction to the Institution. Working committees under different heads such as academic, social service and legal-counseling cell, career-counseling and placement cell, cultural, publicity and sports carry out the varied activities of the Association.

National Cadet Corps (NCC) and National Service Scheme (NSS) The College has a full-fledged NCC unit and willing students are imparted necessary training under a trained officer. Moreover, the students render social service both inside and outside the College under the National Service Scheme. Facilities are also available for mountaineering training; hospital attachment training, advanced leadership, para-military training and youth exchange programmes.

Handique Girls' College has a news bulletin, *The Handique Herald*, which reflects the various facets of life in the College, such as the new courses introduced, the seminars and workshops held in the College, the activities and achievements of students and teachers in various fields, etc. Two issues of the bulletin are published in an academic year.

Academic Committee

The Academic Committee of the College comprises a group of faculty members headed by the Principal. The committee monitors the academic atmosphere of the College and takes appropriate remedial measures for imparting quality education to the students.

Students' Support and Counseling Cell

The Students' Counseling Cell, which has been renamed as Students' Support Cell, is an integral part of the College. The Cell has been providing help and support to the students of the College.

Anti-Ragging Cell

Anti-Ragging Cell of the college consists of a group of faculty members headed by the Principal. This cell addresses students' complaints regarding ragging in the college campus. Strict action is taken against the offenders.

Women's Studies Cell

The Women's Studies Cell of the Handique Girls' College was set up in the year 2001. Since its inception, the cell has undertaken a number of activities such as extension programmes, publications, surveys, talks, etc. The most significant one was introduction of a Certificate Course on Women Studies started from the year 2009 for the under – graduate students.

Grievance Redressal Cell

This Cell comprises a group of faculty members headed by the Principal. The members of the Cell interact with the students and address their different academic and non-academic problems. Accordingly, the committee takes remedial measures for the grievances of the students. A sealed box is kept within the College campus for the collection of students' grievances.

Internal Committee

The college has an internal Committee, formed according to statutory guidelines to take cognizance of complaints of sexual harassment within the college campus and provide redressal as per rule.

Travel Concession to Students

Students are entitled to rail and air travel concession from the institution to their home and back, during the vacations only.

FACULTY AND SUPPORT STAFF

The administrative offices of the College are located on the ground floor adjacent to the Principal's office for the convenience of the staff, the students and the general public.

STUDENTS' CHARTER

The Students' Charter is a commitment of the management, staff and students of Handique Girls' College to a partnership in quality learning.

Institutional goal: Advancement, development and empowerment of women by imparting quality education.

The College will:

- Provide you with education, which will contribute to your all round development and equip you to meet the challenges of the future.
- Seek to ensure ecologically sensible and healthy institutional environment.
- Be understanding of your needs as a student and as an individual and be caring and efficient in its dealings with you.
- Give you clear and timely information, in written and web based form about admission requirements, curricular objective, courses of study, and methods of evaluation.
- Create opportunities for your engagement in educationally purposeful activities which lead to quality learning.
- Facilitate your access to computing, library and other academic services.
- Provide tutorial support and continuously monitor our progress in education.
- Offer counseling support.
- Manage a responsive system for redressing your grievances.
- Inform and guide you about opportunities available for higher studies and also the different career options.
- Involve you in decisions affecting you by providing for your representation, via the Handique Girls' College Students' Union and Student's matters.
- Forge with you a life-long partnership in learning.

As a student you will:

- Be aware of and appreciate the Institution goal.
- Be courteous in your dealings with the staff of the College and your fellow students.
- Use all opportunities that the Institution provides for yourself-development.
- Read and retain all information the College provides, check notice boards, and ask for clarification of any information you do not understand.
- Help create an atmosphere conducive to learning
- Attend all lectures, seminars, tutorials, laboratory classes and other teaching sessions.
- Complete promptly the academic works requested of you and appear in all examinations.
- Be a willing participant in the different ways of teaching, learning and assessment.
- Take the responsibility to seek the support you believe you need and seek advice when your academic progress gives you reason for concern.
- Support the representative role of the Handique Girls' College Students' Union and consider acting as a student representative yourself.
- Provide feedback for improving the learning environment, when it is sought.
- Retain a life-long association with your College.
